

Empowering people with vision loss to realize their full potential and shaping the community's vision of that potential.

## **2018 Impact Report**

January 1, 2018 – December 31, 2018

# Message from Leadership

Dear Friends,

Three principles have been core tenets to the success of Cleveland Sight Center since our founding in 1906 – and were instrumental and evident throughout our work in 2018:

**Eliminate barriers. Build on our legacy. Commit to excellence.**

A rule proposed by the Ohio Department of Medicaid to provide coverage of white canes as durable medical equipment was finalized in 2018, **making Ohio the first state in the country to provide coverage for white canes.** Cleveland Sight Center was a leader throughout this process, providing key information and proponent testimony to legislators and administrators through meetings, hearings and visits to the Ohio Statehouse in Columbus and our agency's headquarters in University Circle over the last two years.

Our agency was awarded a 4-star rating from Charity Navigator for demonstrating strong financial health and commitment to accountability and transparency. The award is the **highest possible rating** and indicates that CSC adheres to sector best practices and **executes its mission in a financially efficient way.**

As the region's premier resource for those who are blind or have low vision, we remain committed to the evolving challenges our clients face. Providing services through new and emerging technologies while continuing to offer impactful vision rehabilitation programs, **our services provide maximum benefit to allow our clients to reach their full potential.**

**Our success is our clients' success.** With the ongoing support of our donors, staff, board members, volunteers and friends, Cleveland Sight Center is ready for the opportunities and achievements in the year ahead.

On behalf of all those you impact through your support, we thank you for your generosity and belief in Cleveland Sight Center.

# About Us

Founded in 1906, Cleveland Sight Center (CSC) is the only organization in Northeast Ohio dedicated to fulfilling the lifelong needs of individuals who are blind or have visual impairments. CSC provides comprehensive services for individuals from infants to seniors to overcome any barriers they face to obtaining an education, maintaining employment and achieving independence and an overall quality of life. Supported by 160 employees, 47 board trustees and more than 550 volunteers, CSC served 14,922 people during 2018 through direct services, preventative vision screenings and education programs.

## By The Numbers

Cleveland Sight Center is a community that empowers people who are blind or have visual impairments. Individuals with no vision or limited vision cannot participate in education, succeed in the workplace or live independently without learning the skills that enable them to adapt to a world designed for the sighted. As a community, we are committed to ensure that children and adults with blindness or vision loss have access to the support and education they need to reach their full potential.

## First in the Nation

### Medicaid Rule 5160-10-30

A rule proposed by the Ohio Department of Medicaid to provide coverage of white canes as durable medical equipment was finalized on December 10, 2018, making Ohio the first state in the country to provide coverage for white canes!

The Medicaid rule 5160-10-30 includes coverage for ambulation aids under durable medical equipment, which previously covered canes, crutches or walkers but excluded coverage of white canes. The rule took effect January 1, 2019.

Cleveland Sight Center was a leader throughout this process and partnered with the Cincinnati Association for the Blind & Visually Impaired and the Sight Center of Northwest Ohio. Support and advocacy at the state government level included Director Kevin Miller from Opportunities for Ohioans with Disabilities (OOD) as well as legislators Representative Marlene Anielski and Representative Darrell Kick. The initiative was an important first step towards closing the gap in insurance coverage that exists for individuals with visual impairments.

**3,158** audience members reached through programs including

- The Aging Eye
- Blindness Basics
- Tips, Tools and Techniques
- Meeting Someone Who is Blind

### Cleveland's Terminal Tower lit up like a white cane

Cleveland's most recognizable icon, the Terminal Tower, was lit in white and red lights to resemble a white cane and raise awareness for blindness, low vision and Cleveland Sight Center.

### CSC is rated a 4-Star Charity

The rating demonstrates CSC's strong financial health and commitment to accountability and transparency. The award is the highest possible rating and indicates that CSC adheres to sector best practices and executes its mission in a financially efficient way.

### Sources of Support

\$2,973,422 from 2,384 Gifts and Pledges

Philanthropic support over the 12-month period totaled \$2,973,422 from 1,655 donors. Each donor listed in the pages that follow has had an impact on the lives of our clients by allowing Cleveland Sight Center to provide the services, devices and support they need. The following letter illustrates that impact.

### Thank You!

We are grateful for the thousands of donors and volunteers who have helped us significantly impact the lives of those we served in 2018. Every attempt is taken to properly acknowledge financial gifts and service hours which have been so generously donated to Cleveland Sight Center. If you notice an opportunity for us to improve the way we communicate our acknowledgement of your support or if you have general questions for us, please contact CSC's Director of Development Karen Bain Hiller at 216-658-4583 or [khiller@clevelandsightcenter.org](mailto:khiller@clevelandsightcenter.org).

Dear Donor,

I am writing to thank you very much for your generous donation towards my purchase of the ORCAM assistive reading device. Since receiving this device, I have spent a great deal of time in training and learning its capabilities.

Because of your generosity, I can now ID bills, read articles as well as identify products and people's faces. I was not able to do any of this previously.

Your donation allows me to be less dependent on sighted help. Again, I give you my heartfelt thanks for your generous gift.

Sincerely,

Richard

## Your Support January 1, 2018 – December 31, 2018

---

“Cleveland Sight Center Volunteers significantly impact our agency and clients, providing thousands of hours to support CSC annually. As an organization, our goal is to facilitate engaging volunteer experiences that make a direct impact on our mission and better our organization. The impact volunteers make is fundamental.”

- **Larry Benders, CSC’s President and Chief Executive Officer**

The mission of Volunteer Services is to facilitate empowering volunteer opportunities that support and promote the mission and progress of Cleveland Sight Center. More than 550 volunteers contributed over 7,500 volunteer hours, resulting in a value of over \$186,000 to Cleveland Sight Center.

“Volunteers are an essential part of the Highbrook Lodge community. Their support means our staff can focus on the many other things camp professionals need to in order to be successful. Our volunteers are rightfully valued members of the Highbrook Lodge community – we thank them all for their time, energy, efforts, and support!”

- **Jennifer Schaeffer, CSC’s Camp Manager, Highbrook Lodge**

# Volunteer Impact

---

In 2018, volunteers donated 7,550 hours to Cleveland Sight Center.

Volunteer Services engaged **555** volunteers through ongoing and Done-in-a-Day experiences in 2018. Time donated through those experiences brought a value of \$186,400 to the agency.

“Seeing the passion volunteers have for Cleveland Sight Center’s mission and clients care assures me that our message will reach the people who need to hear it most.”

– Tom Sawyer, CSC’s Outreach Specialist

Volunteers were spread across 23 unique placements at the agency including activities such as 1:1 tutoring, classroom support, mentoring programs, providing administrative and engagement support and leading instructional classes like yoga and piano.

# Volunteer Spotlight: Bailey Flint

---

Inspired by watching her grandfather Joe who has been legally blind since he was seven years old, Bailey Flint was driven to learn more about what she had come to realize was critical to her grandfather's independence. Growing up, Bailey noticed the smallest things made the world of a difference for her grandfather. To make her own difference, Bailey decided to become a volunteer at Cleveland Sight Center.

As an aspiring biomedical engineer, Bailey's coursework has taught her to strive to find the best way to solve problems in a way that prioritizes patient needs. A holistic field grounded in the belief that every perspective has value, the profession "has much in common with my volunteer experience," explained Bailey.

Joining Cleveland Sight Center's Bright Futures Preschool every week, she would pay a visit to the classroom not only to make a significant impact for the students and staff, but also to grow herself. The time spent allowed her to work with children to focus on specific activities or target specific skills. "My experience in preschool helped me gain perspective," Bailey explained. "There is so much you can learn from an individual child. My time in the classroom showed me the importance of learning in a variety of ways."

"I had a really great experience at Cleveland Sight Center and I am so thankful that I was given the opportunity to be involved," she said.

As she pursues an internship at Johnson &

Johnson, Bailey shares her hope that "others take the leap to get involved and continue the great work being done at CSC. I felt so valued as a volunteer," she said. "I loved to see and be part of the organization's impact."

Bailey's advice for those looking to be involved with CSC? "Jump right in! Find something you are excited about and get involved. There are so many areas, so it is easy to find something that interests you most. The time you spend is worth finding something you are happy doing and fulfilled being a part of."

## Volunteer Partnership Spotlights

---

### John Carroll University

“To truly experience the power of principles like universal design and the dignity of the human person, our students need more than a tour from staff. This is where CSC’s

Volunteer Services comes in. CSC’s Volunteer Services makes it easy for our students to build mutual relationships with CSC’s clients. As they progress through the semester together, these relationships lead to learning and growth for all involved. These relationships are particularly valuable for our students to have normal interactions with CSC’s clients, which can transform their perspective of people with visual impairments.”

JP Grauly  
Assistant Director of Community Partnerships  
John Carroll University

### Delta Gamma Fraternity

Service for Sight is the philanthropy of the Delta Gamma Fraternity. Service for Sight’s mission is to promote sight preservation and to support people who experience blindness or low vision. Volunteering at Cleveland Sight Center allows Delta Gammas to connect directly to their philanthropy.

“At Cleveland Sight Center, Delta Gammas don’t just volunteer, but also learn tools for empowering those who are visually impaired and become active members of the

Cleveland community. So many members have reflected that they love volunteering, explaining how it makes them feel like they are making a difference in our community. Personally, I have had the opportunity to make a difference in the lives of people who experience blindness or low vision while at the same time improving my communication, leadership and organizational skills. Because of my experiences with CSC, I now want to work in advocacy in the future and I am motivated to be a positive change agent in the community. Overall, I truly can’t put into words how much CSC has positively impacted me. I have grown both personally and professionally and I am so thankful for the experience I have gained through being involved.”

Madi McMillen  
Vice President of Foundation  
Delta Gamma, Case Western Reserve University

## Done-in-a-Day: Westfield Insurance

Representatives from Westfield Insurance's Human Resources engaged Cleveland Sight Center clients through a Done-in-a-Day (DIAD) volunteer event in December 2018. The team participated in a panel discussion about reasonable accommodations, job opportunities and interview techniques in addition to offering mock interview sessions for clients and job seekers to gain valuable experience.

Clients who attended the Westfield panel left with a newfound realization of the importance of being clear about personal employment goals during interviews. Participants came away understanding how transparency during an interview connects with securing employment that best aligns with individual skills, interests and experiences. Panelists explained how remaining open about one's career objectives promotes progress for both applicants and employers, leaving clients with a clear understanding of how to increase the chance of a job offer.

Westfield Employee Bob Taylor offered feedback related to Westfield's participation in the event. "This kind of opportunity presents a real value for us as a staff," Bob shared. "As HR professionals, it really helps us understand the applicant pool from a holistic perspective."

"It was such an impactful experience for me to realize how tough formatting resumes must be for people who experience blindness and low vision. In spite of not being able to see the formatting, job seekers who are blind are still held to the same standard as other applicants."

- Shannon Foran, Employment Event Volunteer

## The Visionaries

Cleveland Sight Center Visionaries is a young professional group that works to support CSC's mission of empowering those who are blind or have low vision to reach their full potential. Members develop skills and networks that will prepare them to be the next generation of leadership at Cleveland Sight Center, to develop a signature event that introduces young Clevelanders to the agency, and to network professionally and socially with Cleveland Sight Center staff and board members.
