

ABCs Summer Program

July 18 - August 5, 2022
9 am - 1 pm (Monday - Friday)

The ABCs session is a half-day summer program for children entering kindergarten through 2nd grade with a visual impairment as a primary or secondary disability. Students must be receiving direct services from a TVI and/or O&M specialist to be enrolled.

The nine areas of Expanded Core Curriculum will serve as a framework for planning daily activities along with plenty of fun summer experiences. The program is appropriate for children with varying abilities, who will be provided with opportunities to engage with typical sighted peers. Weekly themes will focus on art, music, nature and sports. Weekly field trips and music therapy will be included.

Program Details:

- Fee: \$750.00 (includes tuition, snacks and weekly field trip)
- Funding may be available to those who qualify.
- Staff includes a team of dedicated, compassionate and experienced therapists and teachers.
- Small student-to-teacher ratio
- Transportation not provided
- Can be used as ESY program
