5 reasons why you should go to Highbrook Lodge this summer!

FEBRUARY 2020

One of the best ways to survive this cold winter season is to start planning your summer! Although it may seem far away, it will be here before we know it and Highbrook Lodge Camp Registration is already open. If you are considering registering, take a look at just a few of the reasons why you should below.

SMELL THE FRESH AIR

Highbrook Lodge is located on a beautiful, 63-acre wooded facility in Chardon, Ohio! Over two miles of wooded trails are equipped with guide rails to allow you independence in nature exploration. It is the perfect opportunity to "smell the fresh air" and spend time in nature.

MAKE LIFE-LONG FRIENDS

Not only will you be immersed in nature, you will be surrounded by a community of other campers! Campers that will take part in the same daily schedule and activities as you. There is no better way to make life-long friends than over a camp fire and s'mores!

FIND A NEW HOBBY

There are plenty of opportunities to try new things and master a new trade at camp! As a camper you will take part in arts and crafts, music, drama, dance, sports, recreation, swimming and nature/outdoor activities. Occasionally campers will even take trips off-site to canoe or fish!

TAKE TIME TO RELAX

Camp allows you to unplug from your daily life in a quiet and peaceful environment. You will be able to take time to swim, rest or even hike in the beautiful atmosphere of Chardon, Ohio. There are multiple scheduled "rest times" throughout the day that you are free to choose what you do with.

EXPERIENCE COMMUNITY

At Highbrook Lodge, we wrap up the day with an all-camp evening activity and campfire. Following the Evening Program, all campers gather around our outdoor campfire to close the evening with songs, skits and fellowship. These types of activities help create a close-knit community experience for all campers.
