

Friends,

Please consider supporting **my/our team** and Cleveland Sight Center's 15th Annual White Cane Walk on Saturday, August 8! This special event is one of CSC's annual events to raise critical dollars to support their mission of empowering people with vision loss to reach their full potential and raise awareness of the agency and the services it provides.

I have been involved with Cleveland Sight Center since **INSERT YEAR** and it is truly a remarkable agency – the premier resource in our region for those with blindness or vision loss.

While this year may look a little different with a virtual walk, we will all be walking for the same reason – to empower individuals of all ages with blindness or low vision to live a life of independence and fulfillment.

Fundraising is vital to continuation of programs and services, due to decreased available funding because of Covid-19. Please consider supporting this year's event by making a gift to our team, **TEAM NAME**.

To donate to **my/our INSERT TEAM NAME team, please click: **INSERT TEAM LINK****
When donating you will have the option to register to walk virtually as well. A \$15 donation is suggested for all walkers.

#If you prefer to donate by check please make check out to:

In the memo line write "**INSERT TEAM NAME**" and mail to:
