Creating Awareness and Strengthening Partnerships for CSC:

- A group of 10 from the Human Resources team at Westfield Group spent the morning of Tuesday, December 20th at CSC where they participated in a service learning project. The group began the day with an introduction to the agency and the “[Blindness Basics](#)” program conducted by [Lisa Cellura](#). From there, they completed a variety of tasks including caulking, painting and steam cleaning, sanitizing toys and materials in [Bright Futures Preschool](#) and organizing the CCTV storage area in the lower level of the main building. Westfield Insurance has been a great partner to CSC the last few years, supported by Board Trustee [Erin Ploucha](#), engaging with the [Employment Services](#) team and hosting the CSC [Golf Classic](#) in the summer.
