

Keeping you “In the Know...” 12/9/16

CSC’s Annual Appeal is Underway:

- CSC’s [Annual Appeal](#) to donors and prospects dropped in the mail this week. This fall’s [Appeal](#), which supports all areas of the agency, highlights a variety of clients who have received services from the agency and the importance of CSC to his or her independence. This important piece of marketing collateral, which is designed like a card and different than recent [Appeals](#) which had been a letter format, is an important fundraising tool to CSC’s revenue stream. Thanks to the [Marketing and Development](#) teams for their hard work in getting this fall’s [Appeal](#) produced to continue to tell the CSC story.

Self-Defense Classes Held at CSC:

- CSC held self-defense classes at the agency on Monday, December 5th and Tuesday, December 6th. Feedback from many clients including how they feel unsafe and vulnerable when travelling outdoors in neighborhoods and communities mostly because of vision impairments and blindness led to this initiative. Trainings were filled to capacity of 25 clients per session and were provided by the group [1Touch](#) from California and sponsored by the Ohio Lions Foundation. WOIO Cleveland 19 stopped by to cover the classes for their newscast and website. [Click here](#) for the story.

Items of Note:

- A high school yearbook staff surprised a student who is blind with a braille yearbook. "It was one of those really awesome moments that I would want to relive again," said senior Maycie Vorreiter. [Click here](#) for the full article.
- Fluffy Duck Café, across East 101st Street in the Innova building, opened this week with coffee and pastries. They expect to start their full menu offerings next week. Menus have been dropped off to CSC's front desk.

Did You Know?

- December, the 12th month of the year, brings us Christmas, Hanukkah, and New Years Eve. December is the last month in the Gregorian calendar. Its name is based on the Latin term for ten. In the Roman calendar, December was the tenth month until the addition of

January and February at the beginning of the year. In the Northern Hemisphere, December has the shortest daylight hours and marks the beginning of winter. December provides the longest days in Southern Hemisphere, as it is the beginning of summer. Some fun facts about December:

- The birthstone of December is turquoise.
- December 3 is International Day of the Disabled Person.
- On December 7, 1941 the United States Naval Base at Pearl Harbor was attacked by Japanese planes which killed more than 2,300 Americans. This year marks 75 years since the attack.
- On December 3, 1967 the first heart transplant was completed.
- On December 17, 1903 the Wright Brothers made their first flight.
- December 27th is National Chocolate Day.
