

A Summer to Remember: Why you should work at Highbrook Lodge

MARCH 2022

Highbrook Lodge, located in Chardon, Ohio, is the oldest summer camp specifically designed for children AND adults with low vision/blindness. Our programs are designed to empower our campers to reach their full potential, find joy and create meaningful and lasting relationships with others!

Our summer season runs from June-August and we are always looking for volunteers and seasonal staff members--including positions in marketing, fine arts, recreation & athletics, environment and conservation, housekeeping, maintenance, food service and more!

Staff Alumni Highlight

STEFAN

Music & Drama Leader,
Program Coordinator

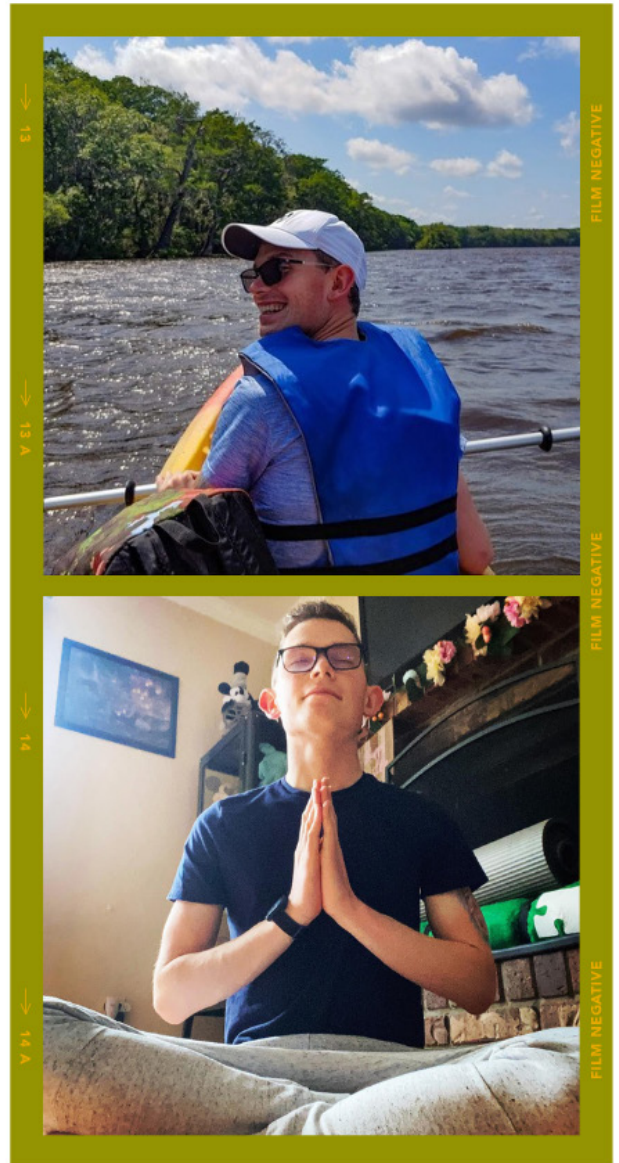

Certified Recreation
Therapist

"Camp helped me gain experience meeting people from all walks of life at their individual level and needs, while helping them become more independent and confident. I use those skills daily as a therapist, helping my clients (veterans) adapt meaningful recreational activities to improve their quality of life and functional independence."

You should work at HBL because...

Highbrook was the place I fell in love with my current field -- you'll meet so many amazing people, both the campers who attend and the staff you work alongside, while also learning professional skills like time management, organization, and networking.

Truly a one-of-a-kind and
amazing experience!

Wow! Stefan transformed during his years working at Highbrook as a Cabin Leader then Music & Drama Leader and then Program Coordinator into a Recreation Therapy career!
