Position Title: Pre-School Vision Screener

Purpose: Vision screenings are a portable and fast way to alert parents to possible vision problems in their children. Pre-School Vision Screeners conduct screenings of children ages 3-5 at local preschools. Vision screenings can be conducted by anyone who is trained through a program approved by the State of Ohio.

Location: Throughout the community.

Key Responsibilities:
- Perform vision screenings based on the direction and training of the program chair.

Qualifications:
- Enjoy working with children ages 3-5 years.
- Have access to reliable transportation.
- Successful completion of a background investigation.
- Physical Abilities:
  - Lift/carry 20lbs multiple times/shift
  - Stand for two-hour periods
  - Bend or stoop multiple times/shift
  - Climb two or more flights of stairs

Commitment:
- Screening sessions are 3-4 hours each
- Screenings completed during the school year in the morning and afternoon.
- Occurrence: Several per month
- Minimum commitment: 3 assignments per month
- Ongoing

Age Requirement: 18 years or older

Dress Code: Business Casual

Training:
- Volunteer Orientation at Cleveland Sight Center.
- Mandatory vision screening training by Cleveland Sight Center.
- Re-certification test every three years provided by Cleveland Sight Center.
