## Annual Workshop for Educators

### Thursday, August 12, 2021 | 9 am - 3 pm

Please plan to attend the Annual Workshop for Educators (general education, intervention specialists, administrators, therapists, and support staff) who will be working with children with low vision, cortical visual impairment and or blindness during the 2021-22 school year.

The workshop will feature engaging and informative information, strategies, accommodation ideas, technology, material and equipment demonstrations.

Below are the workshop topics our event will address this year. We strive to provide presentations that will equip you with the knowledge, resources, and strategies to help you meet your needs. The event will begin with a general introduction and overview of working with students with low vision and blindness. Areas of the expanded core curriculum will be introduced, along with information about recreational, pre-employment and transitional services for students with low vision and blindness.
