Annual Workshop for Educators

August 11, 2022 | 9 am - 3 pm

The Annual Workshop for Educators is designed for professionals (general education, intervention specialists, administrators, therapists, and support staff) who will be working with children with low vision, cortical visual impairment and/or blindness during the 2022-23 school year.

We strive to provide presentations that will equip you with the knowledge, resources, and strategies to help you meet your students' needs. The event will begin with a general introduction and overview of working with students with low vision and blindness. Areas of the expanded core curriculum will be introduced, along with information about recreational, pre-employment and transitional services for students with low vision and blindness. The workshop topics are available below with detailed descriptions of each session available online at <https://bit.ly/EducatorsBVI>
