Introduction

We're so excited you are supporting White Cane Walk as a team captain this year! Thank you for your dedication to CSC's mission. This document is your toolkit for inviting your network to join or donate to your team. Included are samples of messages you can use via email, text, phone call or social media.

We encourage you to use these templates to spread the word about White Cane Walk and ask for the support of your family and friends.

What is a team captain?

A White Cane Walk team captain is the head of their own fundraising team for the event. As team captain, you guide your fundraising team to reach your fundraising goal by recruiting teammates and asking for donations in support of your team. Team captains play a critical role in the success of White Cane Walk and help us reach our overall \$70,000 fundraising goal.

What should my fundraising goal be?

We encourage all team captains to set a fundraising goal of at least \$500. New this year: **if your team raises \$500 by May 1, your team name will be printed on the back of the White Cane Walk team shirt and announced at the event.** However, we recognize that a lot of effort is placed into raising funds and it can be hard to reach that goal by the designated date. Therefore, all team captains will be recognized on signage at the event.
